SWAYBARKIT 2014+ SUBARU WRX STI

BSK019

Essential to "Activate more grip", Whiteline Sway bar vehicle kits are a packaged solution designed to improve performance and enhance the driving experience. Boasting not only front and rear adjustable sway bars, the kit comes complete with high quality sway bar links and accessories that ensure optimum performance and ease of installation. Achieve perfect balance and precise tuning with the Whiteline Sway Bar Kit for your Subaru WRXSTIVA.

The BSK019 kit boasts a...

Front 26mm 2 point adjustable Sway Bar including high quality sway bar links and mounting accessories

Rear 22mm 3 point adjustable Sway Bar including high quality sway bar links and mounting accessories

Take control with multi-point adjustable sway bars which allow the driver to fine tune vehicle characteristics to suit their driving preference or conditions. Whether it's street or sport, dial in more balance and predictability with Whiteline multi-point adjustable sway bars.
